

Photography Training

Helping you take better photographs

How to Book with IOx8

Welcome to IOx8 Photography Training, where we want to help you to take better photographs.

You can book our courses online at our website: IOx8photography.co.uk where you will find overviews of our courses. We update and add new courses throughout the year, so keep checking back to see what's new.

We run scheduled courses at our office in Kilkhampton, near Bude in North Cornwall with groups of up to six people – never more. We also offer One-to-One tuition in sessions of two to six hours where we can cover a wide range of topics to suit the individual. For more information, visit the [One-to-One](#) page.

Bookings can be made for one or more courses (e.g. Level 1 and Level 2), one or more places (e.g. for 2 people on Level 1 and 2) and for dates already scheduled or you can opt for "Date to be confirmed" if no suitable date is currently offered, you're not sure or you're booking as a gift for someone else. By booking multiple places/courses, you'll automatically receive our multiple booking discount:

Book 2 - save £5 per course/place

When you book 2 courses, or even 2 places on the same course, receive a £5 discount off both places – **saving £10**

Book 3 - save £10 per course/place

Book 3 courses/places, receive £10 off per place – **saving £30**

Book 4 or more - save £15 per course/place

Book 4 or more courses/places, receive £15 off per place – **save a massive £60**

Make a Booking

To begin booking, from the relevant course page on the website, e.g. Level 1, select the course date required or choose "Date to be confirmed" if you're not sure, no suitable date is listed or you're buying for someone else:

The screenshot shows the IOx8 Photography Training website. The main content area displays the course details for "Level 1 - Fundamentals of Digital Photography" priced at £59.00. A date selection dropdown menu is open, showing a calendar view with the date "Saturday, 19th January 2019" selected. Below the date selection, there is a "SKU: Level 1" field and a table with columns for "Description", "Additional information", and "Reviews (0)".

Note: if the course is currently full, you will not be able to reserve a place. You could select "Date to be confirmed" and [Contact Us](#) and ask to be notified if a place becomes available.

Once you've chosen your date, select the number of places you would like to book – or leave as "1". If you select multiple places, the new, discounted price per place will be displayed:

The screenshot shows the IOx8 Photography Training website with the booking process completed. The date is now set to "Saturday, 19th January 2019" and the quantity is set to "2". The price is updated to "Your Price: £54.00". A green "Add to basket" button is visible. The course details and navigation menu remain the same as in the previous screenshot.

The discounted price applies for both multiple places on the same course and different courses, e.g. 2 places on Level 1, or 1 on Level 1 and 1 on Level 2 etc.

Click "Add to basket" to confirm your selection. Your choices so far will be displayed:

If you have a discount code or gift voucher code, these can be added by entering and then clicking "Apply coupon" and the basket total will be adjusted accordingly.

Either click "Continue shopping" to add more courses to your basket, or "Proceed to checkout" to provide your details.

Items marked with an asterisk are mandatory and must be entered. Please provide any additional information in the "Order Notes" box. It's also really useful for us to know what camera make and model you have, please enter this in the box provided. If buying for someone else, for example as a gift, please let us know. We won't contact them directly and only ask for their name at this stage.

After you've entered all the necessary information, review your order and select your payment method, either PayPal to pay by debit or credit card (we never see your card details and you don't need an account with PayPal) or Direct Bank Transfer (our account details will be emailed to you).

The screenshot shows the checkout page for IOx8 Photography Training. At the top, there is a navigation bar with contact information (01288 321183, info@iox8photography.co.uk) and links for Contact, FAQs, Customer Reviews, News, Blog, How to Book, My Account, and a shopping cart with 2 items. Below the navigation bar, the 'Your order' section displays a table with the following data:

Product	Total
Level 1 - Fundamentals of Digital Photography - Saturday, 19th January 2019 * 2	£108.00
Subtotal	£108.00
Total	£108.00

To the right of the order summary is a 'SUBSCRIBE' button and a note: 'We will never share your email with third parties and will only use your email address for information and offers relating to IOx8 Photography Training. Please see our Privacy Policy for more details.'

The payment method section offers two options: 'PayPal' (with logos for PayPal, Visa, Mastercard, and American Express) and 'Direct Bank Transfer' (which is selected). Below the 'Direct Bank Transfer' option, there is a text box explaining that payments should be made directly into the bank account and that the order number should be used as a reference. A 'Place order' button is located at the bottom right of the payment section. A checkbox for 'I have read and agree to the website terms and conditions *' is also present.

Note: you must tick the box to confirm that you have read and agree with our [terms and conditions](#) and our [privacy policy](#).

To complete the booking and if appropriate to proceed to payment with PayPal, click "Place order". Once your order is complete, a confirmation and order number will be displayed on screen and also sent to your email address. If you chose to pay by "Direct Bank Transfer" you will receive an email with our bank details. Please make your payment and quote your order number as the reference. Once we have received your payment, you will receive another email to confirm.

Thank you for booking with IOx8 Photography Training and we look forward to seeing you at one of our courses soon.
